Bold: These classes are recreational and open to anyone within that age group.

Italic: These are COMPANY classes and are competitive. New registration by audition only.

15-minute breaks are periodically scheduled so that the studio will be completely sanitized and ventilated. Please make sure you arrive no earlier than 5 minutes before your scheduled class especially when you see a break before your class. You will be asked to wait outside until the studio has been cleared out and sanitized. Prompt pickup at the end of class please. This will also help with parking/traffic. Parents will not be permitted in the studio again this year due to Covid protocols. Parents with children ages 6 and under are permitted to enter with their dancer but must be wearing a mask. Masks must be worn into the studio by everyone ages 7 and up and can be removed once dancers are in their classroom spread apart. Please see Covid Protocol sheet for detailed information.

*Provincial health orders will have to be followed for all ADULT 19+ programs. This will include the vaccine passport.
